identity of the chef

The harmony of food and plating offers endless and unique possibilities, just like our existence. While all chefs try to achieve a unique harmony, they add creativity and character to every presentation.

“I define good food”

ID Fine promises chefs who say
“I define good food” to stand out on every plate. We are here to bear

We invite
you to discover and
experience the magic of

yourself.

Modest

Modest collection is defined by its timeless design and understated simplicity, making it the perfect choice for any occasion.

What sets Modest apart from other tableware collections is its hand-painted rims in rich brown, maroon, deep navy blue, black and warm green. These rims frame the food, drawing the eye and creating a beautiful visual contrast. The hand-painting process adds a touch of human warmth and artistry to each piece, making them truly one-of-a-kind.

At ID Fine, we believe in the importance of preserving traditional techniques like hand-painting. It adds depth and character to our tableware and helps to define the dining experience for our customers.

In a world that often feels rushed and impersonal, we appreciate the human touch and the timeless beauty of a well-crafted, hand-painted piece. That's why we are proud to offer the Modest collection, a simple yet elegant way to define your dining experience.
